SWITCH

CHANGE, CHOICE, BREAK THE MOULD, EMBODY NEW RITUALS AND LIVE AGAIN

Following the success of 'Skin', ACE dance and music return with another dance masterpiece. Dancing from the heart, ACE will draw energy from ancient practices, transforming it into something fresh, new and pulsating. Set in a black and white space, this is a collaboration between ACE's directors Gail and Ian Parmel with choreographers Douglas Thorpe and Andile Sotiya. This is sophisticated dance, music and visuals, accompanied by six agile dancers. Watch ACE for a night of full-on dance to make you think and feel.

ACE is a multi-cultural company which combines captivating contemporary dance with African and Caribbean movement styles, creating exciting and enriching dance experiences which are appealing to all, complimented by an education programme, annually engaging thousands of people.
